Pulpit Prayer

WHAT IS IT?

Pulpit Prayer is a way of recognizing and praying for each church in Tillamook County, bringing genuine love, appreciation and encouragement for the strengths that each pastor and church bring to the Body of Christ.

HOW DO WE DO THIS?

Pulpit Prayer is usually done by one of the elders or the pastor during a main service. This allows the prayer to be multiplied in agreement by the entire Body of believers. Many churches also publish the Church of the Week in their bulletins to encourage ongoing prayer support through the week.

WHAT KINDS OF THINGS SHOULD WE PRAY FOR?

Pray Blessings...only those prayers that edify and build up, and to flow every day of the year!

Pray for:

- The Pastor and spouse
- The church's leadership
- The Staff and Teachers
- The Church Body ministry to their community
- That they would bear MUCH good fruit!
- That we would LOVE ONE ANOTHER!
