**Workshops**

**BUILDING A COMMUNITY BASED PRAYER TEAM - Linda Hanratty**

This workshop will go through the basics of starting a Community or Region based Prayer Team and ignite ideas for prayer strategies and pitfalls. What worked and how to avoid pitfalls. Linda will share The Tillamook Story.

**POSITIONED FOR ABUNDANCE - Eunice Bez (uncovering our true identity as we walk in obedience)**

In this workshop you will discover your rights and privileges of being a child of God. You will be challenged by the faith of Abraham and Sarah and discover how their obedience unlocked the door to abundance. We will also learn that we can trust our unknown future to an ALL knowing God because we not only understand who we are in Christ but also whose we are...

The Tillamook County Wide Prayer Team was created to establish prayer, teach prayer, bring healing to our people and our land through an in-depth relationship with Jesus Christ. We are committed to a work of Unity between churches to further the multiplication of believers. We are thankful for your presence here, and we hope that YOU will help ignite prayer and the Glorious Rising in your community and your church. The Dry Bones become an exceedingly great army when the breath of God causes them to come ALIVE!
