Tillamook Co. Prayer Guide

PRAY FOR:

Our Country, State and County are in crisis. This month let us focus on healing

1. The Church:

- a. Help us to minister to those who have lost family members and to those who are sick..
- b. Help US, the Church reach out effectively to those hurting, fearful and lonely.
- c. Strengthen the Church to LOVE like You have loved us.
- d. We the Body of Christ place this prayer over our city, county, state and nation...even the whole world:
We speak the blessings of God over our people. Protect them Lord. Ps. 91 over them. We paint the blood over the doorposts of every house and heart and we cry out to the Passover Lamb. Covid/Delta... pas by our people and we bind you up Covid and send you to the pit of hell to NEVER replicate again. Lord, we ask for billions of angels to be dispatched to end this pandemic battle along with all the confusion and mis-information that cloud it. We ask You our Creator to supply herd immunity in EVERY person quickly. Lord, You have told us to humble ourselves, repent and turn from our wicked ways. Ps 1;1 You have called us not to sit in the seat of the scornful. In Isaiah 58, You tell us to take away the pointing of the finger. Father, we stand in the gap as Your intercessors. We confess as Your people that we have sent divisive messages casting hurt and blame. We have been scornful and we have pointed the finger and we have grieved Your Holy Spirit. You tell us to forgive those who have sinned against us or cursed us. Lord, we forgive those who have cast blame on both sides. Lord forgive us our sin, wash us with Your precious blood, help all of us be instruments of Your peace. Your Word says, "Love never fails." Help us to minister love and unity to those struggling with fear and blame. We roll this over on You to carry us through this season. Help us to over come our negative attitudes with LOVE. We throw scorn, division, strife, fear, the pointing of the finger into the sea of forgetfulness. We cast our cares and challenges on You. We thank you that You help us to overcome ALL the power of the enemy. In Jesus Name
- e. MT 10:21²¹ "A brother will betray his brother unto death—even a father his child! Children will rise up against their parents and have them put to death. We are seeing families, friends and churches divided with hatred and fear over the COVID vaccines and politics, destroying the very fabric that makes our people reel with contempt for one another. **Pray for forgiveness and restoration of these vital relationships.**
- f. Rebuild a wall of protection against division within our hearts and within our people.

2. Education:

- a. Pray for our School Boards to have wisdom and to make decisions which will be healthy for the children and to provide a structure conducive to learning. We pray protection over those who honor the Lord in their decision making. Give them strength. Let all the counties rise up against bad laws. Establish a precedent of righteousness in the push back.
- b. Give parents a boldness and a say in their children's education. Transparency of curriculum content.
- c. Curriculum: Let the curriculum honor God and history, build skills for life, help build capable leaders and foundations. Help parents speak up regarding Critical Race Theory and Marxist ideology and other philosophies which go against God's Word and the welfare of the students.
- d. Pray for School Board Members to honor God in policies. Remove ungodliness from curriculums.
- e. We pray for ALL children going back to school to re-engage in learning, protection and liberty in the joy of discovery. We pray for the Church schools that are starting.
